## Chapter 1077's Christmas Party

Saturday night, December 10 was a joyous occasion for members of Chapter 1077 attending our annual Christmas party. While taking up over one half of the Preferred Landing Restaurant, members feasted on roast beef and chicken with birthday cake for Holly, our

hostess, as dessert. Many thanks go out to John Haines, Holly, Frank Price, Ernie Mueller, Terry Henry and several others who helped make the festivities a great success. Of special interest to those in our group was the DVD presentation of Mark Dusenberry's historical recreation of a complete circle flight at Huffman Prairie. Comments about his flight from the NASA commentators only mirrors what we in the organization already knew. Mainly that Mark has created

a window into the past. Thanks to Terry Henry for making copies of the DVD available to all who wanted one. Certificates and Officer pins were presented by Alan Sickinger and John Haines. This party was a fitting final activity to close out the year of 2005. The year of 2006 is expected to be just as busy and as exciting as 2005.

## Christmas Party at Wadsworth Municipal

Several members of Chapter 1077 made the short flight to Wadsworth for their Christmas party activities on December 17. Alan Sickinger's Navion and Randy

Maley's new Cardinal RG made for an even quicker trip up and back. Food was supplied by the FBO and participants bringing covered dish specialties that ranged from veggies to desserts. The food was as delicious as it was plentiful. A big "Thank you" goes out to those folks.

## We Need Your Help and Support

Everyone is well aware that the price of everything we buy is going up. A trip to the old 100LL pump will bring that idea

home in a hurry. Our chapter is now at a very crucial point in the road and some

tough decisions will be forced upon us. The cost of printing and mailing this newsletter is probably the most pressing issue. With the increase in the cost of stamps, along with stationery, our chapter needs the support of all our aviation community. If you are a 2005 member, and have not sent in your 2006 dues please do so in the very near future. If you are receiving this newsletter and have not remitted your dues for a while, we want you back within the club. If you have not yet decided if being a part of our organization is for you, we hope you will look at all the activities we have offered in the past year and decide that now is the time to become a member. This newsletter will be the last that will be sent to non-members who have not sent in the \$15.00 yearly dues for 2006. Anyone still wishing to read the newsletter but not ready to join our group is reminded that they can still go to the website and download a full color version without cost.

## Chapter Website

Don't forget to go online and download the color version of this newsletter. The address for our website is <http://www.eaa1077.org>. It is also recommended that you sign on to the Chapter Forum while you are there.
